

BPhO & BAAO Competitions 2022 – 20

British Physics Olympiad BPhO

&

British Astronomy & Astrophysics BAAO

GCSE &
A LEVEL

BPhO Experimental Project
June 2022 - January 2023

Computational Physics Challenge
January 2023 - August 2023

Year
10

BPhO Junior Physics Challenge (online)
Fri 28th April to Wed 17th May 2023

BAAO Junior Astro Challenge (online)
(Y10 & Y9, Y11)
Fri 4th to Wed 23rd Nov 2022

Year
12

Senior Physics Challenge Online
Mon 23rd - Fri 27th January 2023

Senior Physics Challenge Competition
Friday 10th March 2023

Y11
GCSE

Intermediate Physics Challenge Online
Mon 30th Jan - Fri 3rd Feb 2023

Intermediate Physics Challenge Competition
Friday 3rd March 2023

sequential competitions

Physics Challenge

From September – December 2022

Astro Challenge

From September – December 2022

BPhO Olympiad (Round 1)

Friday 11th November 2022

BPhO Olympiad (Round 1)

Friday 11th November 2022

By invitation only

By invitation only

BPhO Olympiad (Round 2)

Monday 30th January 2023

Astro Olympiad (BAAO)

Monday 23rd January 2023

By invitation only

By invitation only

BPhO Easter Training Camp

(IPhO Team Selection)
April 2023

BAAO Easter Training Camp

(IAAO Team Selection)
April 2023

By invitation only

By invitation only

International Physics Olympiad

IPhO in July 2023 (Japan)

International Olympiad on Astronomy & Astrophysics

IAAO in August 2023 (Poland)

(For International schools the dates of the Challenge Competitions (on paper) may be the Monday following the Friday of the UK date)
