

# BPhO

British Physics Olympiad

Charity number: 1146064

# Take the challenge!

Take part in one of our exciting competitions

British Physics Olympiad (Year 13)

Physics Challenge (Year 11)

AS Challenge (Year 12)

Experimental Project (Year 11, 12 & 13)

## Why take part?

- Have fun problem solving
- Test your knowledge
- Win certificates and book prizes
- Looks great on your CV
- Winners of the BPhO 2013-14 will compete in the International Competition (IPhO 2014) in Kazakhstan

The BPhO provides a series of question papers designed to stretch and challenge talented young physicists. Certificates are awarded to all students and prizes are also available to win.
